Announcements

Be holy as the Father is holy. Holiness is not something that belongs to man by nature. Holiness comes to us from above, from the Father, rather than from nature. God calls us to let his holiness enter into our person, opening our soul wide to his sanctifying action. We let God's holiness enter in the measure in which we progressively make ourselves "different" from the world and matter, and "similar" to God, who is Light, Spirit and Perfection.
