Shaddai, Dio della montagna, che fai della nostra fragile vita la rupe della tua dimora, conduci la nostra mente a percuotere la roccia del deserto, perché scaturisca acqua alla nostra sete. La povertà del nostro sentire ci copra come manto nel buio della notte e apra il cuore ad attendere l'eco del Silenzio finché l'alba, avvolgendoci della luce del nuovo mattino, ci porti, con le ceneri consumate del fuoco dei pastori dell'Assolutoche hanno per noi vegliato accanto al divino Maestro, il sapore della santa memoria.

There is no surer pledge or dearer sign of this great hope in the new heavens and new earth "in which righteousness dwells,"²⁴⁸ than the Eucharist. Every time this mystery is celebrated, "the work of our redemption is carried on" and we "break the one bread that provides the medicine of immortality, the antidote for death, and the food that makes us live for ever in Jesus Christ." Let us ask God to give us a grace of great love and devotion to the Holy Eucharist and the Mass.
